Watch for debit card scams so you can avoid them

Pay close attention if you are contacted about fraudulent debit card activity. Scammers are impersonating Wells Fargo and they may contact you through a text or an automated phone service that seems legitimate.

No Wells Fargo employee will contact you to ask you:

- for your personal or card information, including your PIN.
- for your device account credentials, to share your screen with them, or to accept a video call.
- to transfer money to another person, account, or digital wallet to "protect your account" or "resolve a fraud issue".
- to collect your card in person, have you mail it, or leave it somewhere for pick-up.

Remember, don't respond to the request. Call us directly using the number on the back of your card to verify any potential issues with your card or account. You can also check for suspicious activity through our mobile app or online. If you think your card has been used fraudulently, please contact us as soon as possible.

Updated limits on Overdraft Fees

Effective October 1, 2024, we will no longer assess overdraft fees on items of \$10 or less. Additionally, if both your ending daily account balance and available balance are overdrawn by \$10 or less after we have processed your transactions, we won't assess an overdraft fee on those items.

This notice re-establishes that Wells Fargo has the right to conduct setoff for overdrawn deposit account balances, where applicable, and in accordance with your governing Deposit Account Agreement. When we exercise this right, we may reduce funds in any account you hold with us for purposes of paying the amount of the debt, either due or past due, that is owed to us as allowed by the laws governing your account. Our right of setoff won't apply if it would invalidate the tax-deferred status of any tax-deferred retirement account (e.g., a SEP or an IRA) you keep with us. To review a copy of your Deposit Account Agreement, including the provisions related to the right of setoff, please visit wellsfargo.com/online-banking/consumer-account-fees/ or wellsfargo.com/biz/fee-information/.
